Chapter 3

LAST ISSUE DATE: July 28, 1983.

CHAPTER 3 RULES AND REGULATIONS FOR THE DESIGNATION AND DISPOSITION OF ABANDONED MOTOR VEHICLES.

001 SCOPE. This Chapter establishes procedures for the determination, custody, and disposition of certain motor vehicles abandoned on public and private property of the State of Nebraska and incorporates the provisions of Neb. Rev. Stat. §§ 60-1901 through 60-1911 as amended by LB 90 (Laws, 1999). The procedures outlined in this Chapter do not apply to motor vehicles which have been removed from parking lots under Neb. Rev. Stat. §§ 60-2401 through 60-2411, nor to liens for services placed against such motor vehicles pursuant to Neb. Rev. Stat. §§ 52-601.01 through 52-605. Additionally, this Chapter does not apply to motor vehicles in the custody of law enforcement agencies which are subject to forfeiture under the provisions of Neb. Rev. Stat. § 28-431.

002 DEFINITIONS.

002.01 Abandoned motor vehicle means any motor vehicle as defined in Neb. Rev. Stat. § 60-102 and which fits into any of the following categories:

002.01A Any motor vehicle left unattended on any public property for more than six (6) hours with no current license plates or valid "In Transit" decals issued by a licensed automobile dealer attached to it;

002.01B Any motor vehicle left unattended for more than twenty-four (24) hours on any public property except for portions of such property where motor vehicles may be legally parked;

002.01C Any motor vehicle which has been left unattended for more than forty-eight (48) hours on portions of public property where motor vehicles may be legally parked after the parking has become illegal;

002.01D Any motor vehicle left unattended for more than seven (7) days on private property if left initially without the permission of the property owner, or after the property owner's permission has been terminated; or

002.01E Any motor vehicle left in the custody of any law enforcement agency of this state for more than thirty (30) days after that agency has sent notice by certified or registered United States mail to the last registered owner(s) that the motor vehicle is no longer needed.

002.02 **Department** means the Nebraska Department of Motor Vehicles.

002.03 **Investigative purposes** means any investigation conducted by any law enforcement agency of this state to determine whether a violation of the law has occurred, or to determine the owner(s) of an abandoned motor vehicle.

002.04 **Law enforcement agency** means any agency of this state empowered and authorized by law to enforce the laws of this state, to investigate violations of the law, and to make arrests.

002.05 **Local authority** means the county in which a motor vehicle was abandoned, or if the motor vehicle was abandoned within the corporate limits of a city or village, the city or village.

002.06 **Private property** means any privately-owned property not included within the definition of public property.

002.07 **Public property** means any public right-of-way, street, highway, alley or park, or other state, county, or municipally owned property.

002.08 **State agency** means any agency of this state which is empowered and authorized by law to seize and dispose of motor vehicles.

003 **PROCEDURE FOR COUNTIES, CITIES, OR VILLAGES.**

003.01 **Determine the Value of the Motor Vehicle.** The value of a motor vehicle for the purposes of this Chapter is the wholesale value of the motor vehicle as described in the most recent issue of the N.A.D.A. Official Used Car Price Guide or other reliable pricing method, if the N.A.D.A. Official Used Car Price Guide is not available. It is not necessary to determine the exact value of the motor vehicle, but rather whether such value is more or less than Two Hundred Fifty Dollars (\$250). The general condition of the motor vehicle shall also be taken into account when making this determination. In determining the value of the motor vehicle, any contents of the vehicle shall not be considered.

003.02 **Motor Vehicles with a Value of Two Hundred Fifty Dollars (\$250) or Less.** The title to any abandoned motor vehicle which at the time it was abandoned did not have either current license plates or valid "In Transit" decals issued by a licensed automobile dealer attached to it and which has a value of Two Hundred Fifty Dollars (\$250) or less

vests immediately with the county, city, or village in which it was abandoned. The appropriate county official shall issue a new title in the name of the county, city, or village at no cost to the county, city, or village. Any liens existing against the previous title shall be extinguished.

003.03 Motor Vehicles with a Value of over Two Hundred Fifty Dollars (\$250), Inquiry as to Last Registered Owner(s). When an abandoned motor vehicle is determined to have a value of more than Two Hundred Fifty Dollars (\$250), the county, city, or village shall make an inquiry as to the last registered owner(s) as follows:

003.03A If the motor vehicle bears Nebraska license plates, regardless of whether they are current or not, “In Transit” decals, or no license plates, an inquiry shall be made to the Department. Any motor vehicle bearing hand made “In Transit” decals shall be considered a motor vehicle without license plates for the purposes of this Chapter. The county, city, or village making such a request shall complete and sign the form attached (*Attachment 1*) and pay a fee of One Dollar (\$1.00) per request. Inquiries as to multiple motor vehicles shall be made in the same manner by completing and signing the form attached (*Attachment 2*) and remitting One Dollar (\$1.00) for each motor vehicle on which information is requested; or

003.03B If the motor vehicle has current license plates issued by a state other than Nebraska, “In Transit” decals or temporary license plates issued by a state other than Nebraska, the inquiry shall be made to the Department of Motor Vehicles or appropriate agency responsible for motor vehicle records of that state in the manner provided for and upon payment of the fee established by that state.

003.04 Notice to Last Registered Owner(s) and Lienholder(s). After the last registered owner(s) of the motor vehicle has been determined, the county, city, or village shall send notice to the owner(s) at his or her last-known address by certified or registered United States mail. The notice shall state that the motor vehicle in question has been determined to be an abandoned motor vehicle and if not claimed will be sold or auctioned after five (5) days of the date the notice was mailed, or if the county, city, or village intends to retain the motor vehicle, that title to the motor vehicle will vest in the county, city, or village thirty (30) days after the date the notice was mailed. If any liens are found to exist against the title of the motor vehicle as a result of the inquiry described in § 003.03 above, a copy of this notice shall also be sent by certified or registered United States mail to each lienholder.

003.05 No Notice Required If Unable to Determine the Owner or Lienholder. If the vehicle is in such a condition that vehicle identification numbers or other means of identification are not available to determine the last-registered owner or lienholder, the vehicle may be disposed of without notice.

003.06 Publication of Notice of Intent to Retain Abandoned Motor Vehicle. If the county, city, or village has determined that it will retain an abandoned motor vehicle for its own use rather than sell or auction it, that county, city, or village shall also publish notice in a Nebraska newspaper of general circulation that it intends to retain the motor vehicle for its own use, and that title will vest with the county, city, or village thirty (30) days following the date of publication of notice. This notice shall be published on the same date that the notice described in § 003.04 above is sent to the last registered owner(s) and each lienholder, if any.

003.07 Claiming the Motor Vehicle. The last registered owner(s) or any lienholder(s) may claim the motor vehicle within the period prescribed in § 003.04 above by presenting acceptable identification and a copy of the notice to the appropriate official of the county, city, or village in which the motor vehicle was abandoned. Any person claiming the motor vehicle shall pay the county, city, or village or its contractual towing agent for the costs of towing and storing the motor vehicle.

003.08 Vesting of Title. If unclaimed, the title to any motor vehicle with a value of over Two Hundred Fifty Dollars (\$250) shall vest in the county, city or village as follows:

003.08A If the last registered owner(s) of the motor vehicle has been determined, five (5) days from the date of mailing of notice to the last registered owner(s);

003.08B If the last registered owner(s) of the motor vehicle cannot be determined, the date on which the county, city, or village was so notified; or

003.08C If the county, city, or village intends to retain the motor vehicle for its own use, thirty (30) days following the date of notice by publication, provided that thirty (30) days has elapsed from the date of mailing of notice to the last registered owner(s).

003.09 Issuance of Title. No Response by Owner(s) or Lienholder(s) Within Thirty (30) Days. Once title to a motor vehicle has vested with the county, city, or village as described in § 003.07 above, the county, city or village shall wait an additional thirty (30) days before applying for a title. If the owner(s) or lienholder(s) does not appear or respond within thirty (30) days from the vesting of title, a representative of the county, city, or village shall present the Affidavit and Request for Certificate of Title for Abandoned Motor Vehicle (*Attachment 3*) to the appropriate county official of the county in which the motor vehicle is located. That county official shall issue a new title in the name of the county, city, or village at no cost to the county, city, or village. All liens existing against the previous title to the motor vehicle shall be recorded on the new title in the same order of priority as previously recorded unless released by the lienholder(s) or unless the lienholder(s) has failed to appear or respond within thirty (30) days in which case a clear title shall be issued.

003.10 Disposition of Motor Vehicle upon Receipt of Title. Upon receipt of a title, the county, city, or village may sell or auction the motor vehicle or retain it for its own use. Nothing in this Chapter shall prevent a county, city, or village from transferring the title of a motor vehicle to an individual or company which towed or stored the motor vehicle in order to satisfy towing or storage costs.

003.11 Disposition of Proceeds from Sale or Auction of Motor Vehicle. All proceeds from the sale or auction of the motor vehicle, less towing, storage, and sale expenses, shall be held without interest for the benefit of the registered owner(s) or lienholder(s) for a period of two (2) years following the date of sale or auction. If the proceeds are not claimed within this period, they shall be paid into the general fund of the county, city, or village.

003.12 Liability. The owner(s), lessee, or occupant of any private property from which an abandoned motor vehicle is removed shall not be liable for any loss or damage to the motor vehicle which occurs as a result of its removal. The county, city, or village or its contractual towing agent shall likewise not be liable for any loss or damage to such motor vehicle which occurs as a result of its removal from public or private property, towing, or storage.

004 PROCEDURE FOR STATE AGENCIES.

004.01 Determine the Value of the Motor Vehicle. The value of a motor vehicle for the purposes of this Chapter is the wholesale value of the motor vehicle as described in the most recent issue of the N.A.D.A. Official Used Car Price Guide or other reliable pricing method, if the N.A.D.A. Official Used Car Price Guide is not available. It is not necessary to determine the exact value of the motor vehicle, but rather whether such value is more or less than Two Hundred Fifty Dollars (\$250). The general condition of the motor vehicle shall also be taken into account when making this determination. In determining the value of the motor vehicle any contents of the vehicle shall not be considered.

004.02 Motor Vehicles with a Value of Two Hundred Fifty Dollars (\$250) or Less. The state agency which caused the removal of a motor vehicle with a value of Two Hundred Fifty Dollars (\$250) or less shall deliver the motor vehicle to the county, city, or village in which the motor vehicle was found unless the motor vehicle is being held for investigative purposes by a law enforcement agency. The county, city, or village shall have custody of the motor vehicle and may dispose of it in accordance with Section 3 of this Chapter.

004.03 Motor Vehicles with a Value of over Two Hundred Fifty Dollars (\$250), Inquiry as to Last Registered Owner(s). When an abandoned motor vehicle is determined to have a value of more than Two Hundred Fifty Dollars (\$250), the state agency shall make an inquiry as to the last registered owner(s) as follows:

004.03A If the motor vehicle bears Nebraska license plates, regardless of whether they are current or not, “In Transit” decals, or no license plates, an inquiry shall be made to the Department. Any motor vehicle bearing hand made “In Transit” decals shall be considered a motor vehicle without license plates for the purposes of this Chapter. The state agency making such a request shall complete and sign the form attached (*Attachment 1*) and pay a fee of One Dollar (\$1.00) per request. Inquiries as to multiple vehicles shall be made in the same manner by completing and signing the form attached (*Attachment 2*) and remitting One Dollar (\$1.00) for each motor vehicle on which information is requested; or

004.03B If the motor vehicle has current license plates issued by a state other than Nebraska, “In Transit” decals or temporary license plates issued by a state other than Nebraska, the inquiry shall be made to the Department of Motor Vehicles or appropriate agency responsible for motor vehicle records of that state in the manner provided for and upon payment of the fee established by that state.

004.04 Notice to Last Registered Owner(s) and Lienholder(s). After the last registered owner(s) of the motor vehicle has been determined, the state agency shall send notice to the owner(s) at his or her last-known address by certified or registered United States mail. The notice shall state that the motor vehicle in question has been determined to be an abandoned motor vehicle and if not claimed will be sold or auctioned after five (5) days of the date the notice was mailed, or if the state agency intends to retain the motor vehicle, that title to the motor vehicle will vest in the state agency thirty (30) days after the date the notice was mailed. If any liens are found to exist against the title of the motor vehicle as a result of the inquiry described in § 004.03 above, a copy of this notice shall also be sent by certified or registered United States mail to each lienholder.

004.05 No Notice Required If Unable to Determine the Owner or Lienholder. If the vehicle is in such a condition that vehicle identification numbers or other means of identification are not available to determine the last-registered owner or lienholder, the vehicle may be disposed of without notice.

004.06 Publication of Notice of Intent to Retain Abandoned Motor Vehicle. If the state agency has determined that it will retain an abandoned motor vehicle for its own use rather than sell or auction it, that state agency shall also publish notice in a Nebraska newspaper of general circulation that it intends to retain the motor vehicle for its own use, and that title will vest with the state agency thirty (30) days following the date of publication of notice. This notice shall be published on the same date that the notice described in § 004.04 above is sent to the last registered owner(s) and each lienholder, if any.

004.07 Claiming the Motor Vehicle. The last registered owner(s) or any lienholder(s) may claim the motor vehicle within the period prescribed in § 004.04 above by presenting

acceptable identification and a copy of the notice to the appropriate official of the state agency having custody of the motor vehicle. Any person claiming the motor vehicle shall pay the state agency or its contractual towing agent for the costs of towing and storing the motor vehicle.

004.08 Vesting of Title. If unclaimed, the title to any motor vehicle with a value of over Two Hundred Fifty Dollars (\$250) shall vest with the state agency as follows:

004.08A If the last registered owner(s) or the motor vehicle has been determined, five (5) days from the date of mailing of notice to the last registered owner(s);

004.08B If the last registered owner(s) of the motor vehicle cannot be determined, the date on which the state agency was so notified; or

004.08C If the state agency intends to retain the motor vehicle for its own use, thirty (30) days following the date of notice by publication, provided that thirty (30) days has elapsed from the date of mailing of notice to the last registered owner(s).

004.09 Issuance of Title. No Response by Owner(s) or Lienholder(s) Within Thirty (30) Days. Once title to a motor vehicle has vested with a state agency as described in § 004.07 above, the state agency shall wait an additional thirty (30) days before applying for a title. If the owner(s) or lienholder(s) does not appear or respond within thirty (30) days from the vesting of title, a representative of that agency shall present the Affidavit and Request for Certificate of Title for Abandoned Motor Vehicle (*Attachment 3*) to the Department, which will issue a new title in the name of the state agency at no cost. All liens existing against the previous title to the motor vehicle shall be recorded on the new title in the same order of priority as previously recorded unless released by the lienholder(s) or unless the lienholder(s) has failed to appear or respond within thirty (30) days in which case a clear title shall be issued.

004.10 Disposition of Motor Vehicle upon Receipt of Title. Upon receipt of a title, the state agency may sell or auction the motor vehicle or retain it for its own use. Nothing in this Chapter shall prevent a state agency from transferring the title of a motor vehicle to an individual or company which towed or stored the motor vehicle in order to satisfy towing or storage costs.

004.11 Disposition of Proceeds from Sale or Auction of Motor Vehicle. All proceeds from the sale or auction of the motor vehicle, less towing, storage, and sale expenses, shall be held without interest for the benefit of the registered owner(s) or lienholder(s) for a period of two (2) years following the date of sale or auction. If the proceeds are not claimed within this period, they shall be paid into the State General Fund.

004.12 Liability. The owner(s), lessee, or occupant of any private property from which an abandoned motor vehicle is removed shall not be liable for any loss or damage to the motor vehicle which occurs as a result of its removal. The state agency or its contractual towing agent shall likewise not be liable for any loss or damage to such motor vehicle which occurs as a result of its removal from public or private property, towing, or storage.

005 PROCEDURE FOR MOTOR VEHICLES HELD BY LAW ENFORCEMENT AGENCIES FOR INVESTIGATIVE PURPOSES.

005.01 Determine the Value of the Motor Vehicle. The value of a motor vehicle for the purposes of this Chapter is the wholesale value of the motor vehicle as described in the most recent issue of the N.A.D.A. Official Used Car Price Guide or other reliable pricing method, if the N.A.D.A. Official Used Car Price Guide is not available. It is not necessary to determine the exact value of the motor vehicle, but rather whether such value is more or less than Two Hundred Fifty Dollars (\$250). The general condition of the motor vehicle shall also be taken into account when making this determination. In determining the value of the motor vehicle, any contents of the vehicle shall not be considered.

005.02 Motor Vehicles with a Value of Two Hundred Fifty Dollars (\$250) or Less. The title to any abandoned motor vehicle which at the time it was abandoned did not have either current license plates or valid "In Transit" decals issued by a licensed automobile dealer attached to it and which has a value of Two Hundred Fifty Dollars (\$250) or less vests immediately with the law enforcement agency. The appropriate official of the law enforcement agency shall present the Affidavit and Request for Certificate of Title for Abandoned Motor Vehicle (*Attachment 3*) to the Department, which shall issue a new title in the name of the law enforcement agency at no cost. Any liens existing against the previous title shall be extinguished.

005.03 Motor Vehicles with a Value of over Two Hundred Fifty Dollars (\$250), Inquiry as to Last Registered Owner(s). When an abandoned motor vehicle is determined to have a value of more than Two Hundred Fifty Dollars (\$250), the law enforcement agency shall make an inquiry as to the last registered owner(s) as follows:

005.03A If the motor vehicle bears Nebraska license plates, regardless of whether they are current or not, "In Transit" decals, or no license plates, an inquiry shall be made to the Department. Any motor vehicle bearing hand made "In Transit" decals shall be considered a motor vehicle without license plates for the purposes of this Chapter. The law enforcement agency making such a request shall complete and sign the form attached (*Attachment 1*) and pay a fee of One Dollar (\$1.00) per request. Inquiries as to multiple motor vehicles shall be made in the same manner by completing and signing the form attached (*Attachment 2*) and remitting One Dollar (\$1.00) for each motor vehicle on which information is requested; or

005.03B If the motor vehicle has current license plates issued by a state other than Nebraska, “In Transit” decals or temporary license plates issued by a state other than Nebraska, the inquiry shall be made to the Department of Motor Vehicles or appropriate agency responsible for motor vehicle records of that state in the manner provided for and upon payment of the fee established by that state.

005.04 Notice to Last Registered Owner(s) and Lienholder(s). After the last registered owner(s) of the motor vehicle has been determined, the law enforcement agency shall send notice to the owner(s) at his or her last-known address by certified or registered United States mail. The notice shall state that the motor vehicle in question has been determined to be an abandoned motor vehicle and if not claimed will be sold or auctioned after five (5) days of the date the notice was mailed, or if the law enforcement agency intends to retain the motor vehicle, that title to the motor vehicle will vest in the law enforcement agency thirty (30) days after the date the notice was mailed. If any liens are found to exist against the title of the motor vehicle as a result of the inquiry described in § 005.03 above, a copy of this notice shall also be sent by certified or registered United States mail to each lienholder. A copy of this notice shall also be sent to any person other than the last registered owner(s) who was found to be operating or in the possession of such motor vehicle at the time it was seized by the law enforcement agency.

005.05 No Notice Required If Unable to Determine the Owner or Lienholder. If the vehicle is in such a condition that vehicle identification numbers or other means of identification are not available to determine the last-registered owner or lienholder, the vehicle may be disposed of without notice.

005.06 Publication of Notice of Intent to Retain Abandoned Motor Vehicle. If the law enforcement agency has determined that it will retain an abandoned motor vehicle for its own use rather than sell or auction it, the law enforcement agency shall also publish notice in a Nebraska newspaper of general circulation that it intends to retain the motor vehicle for its own use, and that title will vest with the law enforcement agency thirty (30) days following the date of publication of notice. This notice shall be published on the same date that the notice described in § 005.04 above is sent to the last registered owner(s), each lienholder, if any, or any person found to be operating or in possession of the motor vehicle at the time it was seized.

005.07 Claiming the Motor Vehicle. The last registered owner(s), any lienholder(s), or person found to be operating or in possession of a motor vehicle at the time of its seizure by a law enforcement agency may claim the motor vehicle within the period prescribed in § 005.04 above by presenting acceptable identification and a copy of the notice to the appropriate official of the law enforcement agency in which the motor vehicle was abandoned. Towing and storage costs shall be paid as follows:

005.07A By the owner or person operating or in the possession of the motor vehicle at the time of its seizure if such individual is charged with a misdemeanor or felony relating to the seizure of the motor vehicle; or

005.07B By the law enforcement agency if the owner(s) or person operating or in the possession of the motor vehicle at the time of its seizure is not charged with a misdemeanor or felony relating to the seizure of the motor vehicle, if such misdemeanor or felony is dismissed with prejudice, or if such individual is acquitted of the misdemeanor or felony charge following a criminal trial.

005.08 Vesting of Title. If unclaimed, the title to any motor vehicle with a value of over Two Hundred Fifty Dollars (\$250) shall vest with the law enforcement agency as follows:

005.08A Thirty (30) days following the date of notice to the last registered owner, lienholder, or person operating or in the possession of the motor vehicle at the time of its seizure; or

005.08B Immediately if no individual or company described in § 005.07A above can be determined.

005.09 Issuance of Title. Once title to a motor vehicle has vested with the law enforcement agency as described in § 005.07 above, the law enforcement agency shall wait an additional thirty (30) days before applying for a title. If the owner(s) or lienholder(s) does not appear or respond within thirty (30) days from the vesting of title, the appropriate official of the law enforcement agency shall present the Affidavit and Request for Certificate of Title for Abandoned Motor Vehicle (*Attachment 3*) to the appropriate Department of Motor Vehicles, which shall issue a new title in the name of the law enforcement agency at no cost. All liens existing against the previous title to the motor vehicle shall be recorded on the new title in the same order of priority as previously recorded unless released by the lienholder(s) or unless the lienholder(s) has failed to appear or respond within thirty (30) days in which case a clear title shall be issued.

005.10 Disposition of Motor Vehicle upon Receipt of Title. Upon receipt of a title, the law enforcement agency may sell or auction the motor vehicle or retain it for its own use. Nothing in this Chapter shall prevent a law enforcement agency from transferring the title of a motor vehicle to an individual or company which towed or stored the motor vehicle in order to satisfy towing or storage costs.

005.11 Disposition of Proceeds from Sale or Auction of Motor Vehicle. All proceeds from the sale or auction of the motor vehicle, less towing, storage, and sale expenses, shall be held without interest for the benefit of the registered owner(s) or lienholder(s) for a

period of two (2) years following the date of sale or auction. If the proceeds are not claimed within this period, they shall be paid into the State General Fund.

005.12 **Liability.** The owner(s), lessee, or occupant of any private property from which an abandoned motor vehicle is removed shall not be liable for any loss or damage to the motor vehicle which occurs as a result of its removal. The law enforcement agency or its contractual towing agent shall likewise not be liable for any loss or damage to such motor vehicle which occurs as a result of its removal from public or private property, towing, or storage.
